*Note: Asterisks are place markers for praying "Lord have mercy."
In peace let us pray to the Lord:*

Again we pray for
Metropolitan Tikhon

Bishop Alexander, Diocese of the Midwest

For all our fathers, mothers, brothers, and sisters departed this life before us, and for all those who here in this place and in all the world lie asleep in the Lord, especially:

Larisa (Mila Timm's aunt - newly departed)

*

Again we pray for mercy, life, peace, health, salvation, and visitation for

Emilia Margaret (Saathoff - newly baptized)

all who are ill or afflicted or otherwise in need of our prayers, especially:

Alexander (Copa)

Anne (Ketz - for healing of a fractured arm)

For the workers of the world, especially:

Be Where You Are
